RE: Application of Carolina Water Service for Adjustment of rates, etc
2011-47-WS
REQUEST FOR PROTECTION

Dear Ms. Boyd:

I represent Forty Love Point Homeowners' Association as an intervener in this case. Please note that my fax number is listed incorrectly on the docket.

My family and I will be out of the country from June 5 to June 27, 2011 on a family vacation. I do not believe there are any hearings or motions scheduled for that time, but I want to ask for protection from appearing or responding to any matters while we are away.

Thank you.

Sincerely,

Laura P. Valtorta
